

# CIBSE HONG KONG BRANCH 30<sup>TH</sup> ANNIVERSARY DINNER

CIBSE Hong Kong Branch held our 30<sup>th</sup> Anniversary Dinner on 24 March 2009 at the Hong Kong JW Marriott Hotel with over 400 participants. Among the honorable guests, there were HKSAR departmental heads including our principal guest Hon. Eva Cheng JP, Secretary of Transport and Housing's Office, Legislative Council Member, and representatives from peer institutions and academia. We have invited our past chairmen to share the memorable event and have managed to assemble a full table including Mr. Ian Phillis and Hon. Fellow PK Kwok who had initiated the setting up of CIBSE HKB. Last but not all, we also had the company of CIBSE Immediate Past President Mr. John Armstrong.

To share with the dinner assembly our past and future at this moment of 30<sup>th</sup> anniversary, we have prepared a pamphlet incorporating the vision of CIBSE, history of development of CIBSE HKB and its current status and way forward. This was accompanied by a speech presentation of our Chairman Mr. Victor Leung with illustrations of event highlights during the year and a summarizing pledge to serve the society, the Institution and fellow members. Hon. Eva Cheng delivered a speech about the forthcoming infrastructure and public housing development in Hong Kong which presented exciting opportunities and challenges for the building services engineering profession.

Whilst there was professional singing performance in the Dinner, the limelight was the group singing performance by our past chairmen accompanied by Mr. John Armstrong, Hon. Fellow PK Kwok and Mr. Victor Leung, and the following solo singing performance by our Incoming Chairman Herbert Lam. The performances apparently caught the spirit of the dinner assembly and hope that this would remain a pleasant memory for individuals in the Dinner.

On behalf of CIBSE HKB, our Chairman presented souvenirs to committee members as appreciation of their contributions during the year and also presented the CIBSE HKB sponsored student prizes. Finally, the Dinner Organizing Committee Chairman Herbert Lam expressed thanks to the dinner assembly for their participation and to the organizing committee members for their contribution to the success of the Dinner.

Herbert Lam, Organising Committee Chairman
