Technical Visit to Midea Headquarters (Shunde)

Overview

The CIBSE Hong Kong Region is pleased to organise a technical visit to the Midea Headquarters in Shunde, offering members an in-depth understanding of Midea Building Technologies (MBT) and its latest developments in HVAC systems, energy efficient chiller plants, and smart building solutions.

The visit will include:

- A site visit to a modern international hospital
- Guided tours of Midea's flagship showrooms
- Exposure to high efficiency chiller plant design
- Optional visit to VRF production or testing facilities (subject to availability)

This technical visit is ideal for engineers, designers, consultants, and building services professionals seeking practical insights into large-scale HVAC applications.
