## Technical Visit on Renewable Energy Installation in Vitasoy Main Building

---

### Details

<b>Date</b>	: 28 September 2019 (Saturday)
<b>Time</b>	: 9:45am for registration, 10:00am-11:30am
<b>Venue</b>	: Vitasoy Main Building (6 Ho Tin Street, Tuen Mun, NT, Hong Kong)
<b>Fee</b>	: Free of Charge

### Programme Highlight

The renovation work in Vitasoy Main Building was completed in May. In the renovation project, 800 pieces mono-crystalline type photo-voltaic panels has been installed on roof with an area of 1330m<sup>2</sup>. The photo-voltaic system is the largest scale in single industrial building in Hong Kong and can annually generate approximately 240,000 kWh electricity.

### Rundown for the Visit

09:45-10:00 Assembly at the Entrance of Vitasoy Main Building  
10:00-10:30 Introduction of the project  
10:30-11:30 Visit Vitasoy Headquarters Building on renewable energy installations

### Registration & Enquiry

Please register ONLINE via the website of CIBSE Hong Kong Branch – [www.cibse.org.hk](http://www.cibse.org.hk).  
(Note: All members have to fill in the membership number for verification. The organizers reserve the right to decline their application if no membership no. is submitted.)

The talk is free of charge and application will be accepted on first-come-first serve basis. The maximum number of participants is 20. The deadline of application is 24 September 2019. Successful applicants will be notified by e-mail or phone, and the successful applicant list will be posted on the institution website [www.cibse.org.hk](http://www.cibse.org.hk).

For any enquiry, please contact Ms Judy Tsoi at 9108 3658 or Ms Mianne Chu at 6145 7214.
